

NTNU
Norwegian University of
Science and Technology

Week 46: Lecture 2

The final exam

Geir-Arne Fuglstad

November 11, 2020

Information

- Digital exam in Inspira Assessment
- December 2 at 09:00–13:00
- Assessment: Pass/Fail
- A: All printed and hand-written support material is allowed. All calculators are allowed.
- **No communication**
- It is up to you to follow the rules

Digital home exam

General information:

<https://innsida.ntnu.no/wiki/-/wiki/English/Digital+home+exam+-+for+students>

Some problems will need drawings or handwriting:

<https://innsida.ntnu.no/wiki/-/wiki/English/Home%20Exam%20with%20hand%20drawings>

Question types

- Since you can use the book during the exam, the questions must change
- Fact-based questions are less important
- Calculations are still important, but they need to be complemented by understanding
- I am thinking about some “essay” type questions

Today

- Discuss December 2019 exam
- Solve problems
- Discuss how problems would change with all written aids available
